

NIGHT CRAWLERS NET PREAMBLE

CQ CQ CQ

My name is: \_\_\_\_\_ (Name and Call Sign)

This is the Night Crawlers' Net; A service of the W4VO and WA4OKJ repeaters, the voice of the Northwest Georgia Amateur Radio Club located in Rome, Georgia.

The purpose of this net is to encourage communications among amateur radio operators. This is a chat net; a QSO party; a place to contact fellow hams for fun and pleasure.

If anyone becomes aware of an emergency requiring action by the Net participants, please call BREAK and your Call sign clearly, and the Net will pause to handle that traffic as appropriate. Before check-ins are taken, is there any emergency or priority traffic to be handled at this time?

(Pause, read back a list of the stations with traffic, then handle as appropriate)

Hearing none; Are there any stations with announcements to be made at this time?
